DECLARATION OF CONFORMITY ROHS DIRECTIVE 2015/863/EC

Sunnex, LLC declares that:

It has processes and procedures in place to ensure that the manufacturing processes used, that are within its control, are consistent with the EU Directive on Restriction of Hazardous Substances RoHS (2015/863/EC) which is known as RoHS 3, where four additional restricted substances (phthalates) were added to the list of six, and that these processes have been followed in the manufacture of the product(s) for Sunnex. The products do not contain any of the restricted RoHS-substances exceeding the limit of 0.1% weight.

Sunnex, LLC is making this declaration solely to its direct buyers. If at any time it is discovered that a product provided by the Supplier, does not comply with the RoHS directives, Seller's responsibility may be limited to replacement of the product so long as Supplier has acted in good faith in acquiring the components for and in manufacturing the products.
