

Information concerning the REACH-Directive (EC/2006/121/2006) and European Regulation (EG/1907/2006)

July 11, 2017

Dear Customer,

Sunnex Inc. does not use any substances requiring pre-registration at proper authorities, in its production.

Sunnex is a downstream user and does not use nor supply any substances or mixtures in volumes over 1000kg/year Sunnex fulfills its obligations to inform upwards about possible hazards connected to the use of our products and we are also participating by communicating to our suppliers, the necessity to pre-register any substances incorporated in the components supplied to us, that are so required. Our vendors are also obliged to inform us about any risks and exposure scenarios connected to the components or substances supplied to Sunnex.

Unless otherwise stated the products delivered by Sunnex conforms to the requirements in the above mentioned Directive and regulation

Best Regards,

A handwritten signature in black ink that reads "Bill Long". The signature is fluid and cursive, with a long, sweeping underline.
